

CLERK SEEKS AID OF LAWYERS IN PRIMARY LIMIT

Question Whether Petitions for Places on Ballot Will Be Accepted Thursday Not Yet Decided.

There is some doubt in County Clerk Christopher's mind as to whether Wednesday or Thursday is the last for filing petitions for places on the primary ticket. In order that there may be no question, he is communicating with several attorneys from each party to get their opinion.

Petitions are required by law to be filed within five days before the primaries. The question is whether the last day, May 13, is included.

Wednesday morning was a busy one for the employees in the county clerk's office, but it is expected the late afternoon will bring the heaviest rush of candidates with their petitions. Several townships have not enough petitioners to fill out the full ticket.

Here Are Wednesday's Petition. The following filed their petitions Wednesday morning:

Democrats: John A. Cheahart, trustee Harris township; Christopher Lerner, assessor Harris township; Elmer Chivington, road supervisor district No. 2, Warren township; Reuben Pink, county recorder; Jacob Buchheit, advisory board Penn township; Charles Triplett, road supervisor east district, Clay township; Andrew J. Helm, supervisor district No. 4, German township; Otis Rhoades, advisory board German township; A. L. Matthews, advisory board German township; Golden D. Mann, assessor Portage township.

Republicans: Mark L. Webster, county assessor; William Klopferstein, road supervisor district No. 2, Warren township; Harvey Kora, advisory board German township; William M. Klein, trustee Madison township; J. Oliver Loucks, advisory board Madison township; Walter Strantz, road supervisor district No. 4, Olive township.

Progressives: L. P. Hardy, commissioner middle district; Walter C. Anderson, supervisor district No. 3, Portage township.

Liberty township democrats got

busy Tuesday and filed 11 petitions for places on the primary ticket. Every office in the township is provided for. Madison township republicans held a meeting Monday night for the purpose of getting their candidates in line and are expected to file their petitions early Wednesday morning.

The following petitions were filed Tuesday:

Liberty township, democrats: John P. Drelich, supervisor district one; Clem Marrow, justice of the peace; Austin Kaser, constable; William F. Newcomer, advisory board; Samuel Wolfe, supervisor district four; John A. Harman, justice of the peace; Frank C. Fitzer, constable; H. S. Row, supervisor district two; Samuel Hively, supervisor district three; William E. Gushwa, assessor.

Michael Zangerle, democrat, justice of the peace, Portage township; Charles M. Butterworth, progressive, coroner; J. Paul Woodruff, progressive, recorder; John H. Pontius, republican, road supervisor district four, Warren township; Edward J. Zuelke, democrat, trustee Portage township; Daniel Austin, democrat, advisory board, Penn township; William J. Burden, democrat, road supervisor district one, Penn township; James E. Jennings, democrat, road supervisor district one, Penn township; Charles W. Trowbridge, democrat, advisory board Olive township; Elmer Lauver, republican, road supervisor district one, Olive township; Harry Metzger, democrat, assessor Harris township.

TANGO CLASPS FREE THIS WEEK

With Each Package of Egyptianne Straight Cigarettes.

A tie clasp is one of the important little articles that every well dressed man appreciates. The tie is kept in trim, even position by a tie clasp so that it always looks crisp and snappy. This free "Tango" tie clasp—which the local tobacco dealers are giving away with each package of Egyptianne Straight—is of genuine blue enamel over gold-finished metal and is a new, attractive and serviceable piece of jewelry. Only one tie clasp will be given to a customer, and as the supply is limited, "first come, first served."

Egyptienne Straights have made a phenomenal success. They are an absolutely pure Turkish cigarette, made solely of Turkish tobacco. They have made such a hit with the men who prefer a straight Turkish cigarette that they are now the largest selling straight Turkish cigarette in the world. They sell for only ten cents a pack; and they are growing faster in popularity than all other Turkish brands combined.

AUSTRIA WILL TAKE PART.

VIENNA, May 13.—Official announcement was made today by the Austrian government that it will participate in the Panama-Pacific exposition in San Francisco next year.

FARMER DENIES DRUNK CHARGE, MUST WAIT FOR POLICE ACCUSER

Because he could not speak good English and denied that he was drunk Tuesday when the police picked him up, George Desomick, a farmer living on the Division road, will have to spend another day in a police cell until the policeman who arrested him can be found to testify. Although Desomick could not talk English he made the court understand that he never gets drunk. He mumbled that spring work on the farm keeps him busy, but was led off to the cell room.

Edward Mulcahey, a "hobo," was fined \$1 and costs for the same offense. Mulcahey told the court that

he has a job although he only came to town from Detroit, Mich., two days before. The court sent him over to spend 11 more with the sheriff.

RIVER PARK.

The men of the community met Monday evening at the River Park Methodist Episcopal church and reorganized a brotherhood. Much interest was manifested and the following officers were elected: President, Frank E. Wolfe; vice president, E. W. Paige; secretary and treasurer, Stewart Penrod. Plans for the meetings were discussed and it was decided to meet the second Monday of each month. The various committees will be appointed at the June meeting.

The River Park Independent club will meet Thursday afternoon with Mrs. E. J. Bickel, on S. Sixteenth st. A meeting of the Men's Bible class of the First Evangelical church was

held last evening at the home of Mr. and Mrs. George Wright, N. Eighth st. Following the business session a social hour was enjoyed and refreshments were served by Mrs. Wright.

Fred, little son of Mr. and Mrs. Tom Klipp, of N. Eleventh st., is seriously ill.

Howard and Roy Wolfe, who have been visiting at the home of their brother, Professor Frank E. Wolfe, of S. Seventh st., returned to Plymouth, Ind., yesterday.

J. E. Stoler, of Culver, is here for a few days' visit with friends.

Harold, the little son of Mr. and Mrs. Lloyd Enfield, of Smith st., who has been critically ill with pneumonia the past week, shows a very slight improvement today.

Mr. and Mrs. Weratz, residing in the Lois Zink residence on N. Eighth st., narrowly escaped being struck by lightning during the storm yesterday

morning. A bolt struck the chimney, tearing it from the building and run down into the room, shattering the plastering off just three feet from where Mr. and Mrs. Weratz were sleeping. Aside from the nervous shock they felt no bad effects from it. The amount of damage to the property is probably a hundred dollars.

Mr. and Mrs. George Wright, N. Eighth st., entertained at dinner yesterday, Mr. and Mrs. August Huffman, and Mrs. Krinkle, of South Bend. Mrs. H. M. Smiley, of Mishawaka, who has been in Peoria, Ill., for the past several months, will return Saturday.

An all day session of the Ladies' Aid society of the First church of the Brethren, will be held Wednesday afternoon at the home of Mrs. Jacob Hawblitzel, 214 Calvert st.

The R. P. E. club will meet Thursday, May 21, with Mrs. Frank Kochen-

berger, on Smith st., instead of May 1 as previously announced.

Miss Grace Wolfe is reported ill. Mrs. Willis Metcalf, of Kereslake, court, will be hostess to the Flinch club Friday.

J. E. Vanoy, of Logansport, Ind., is here transacting business and visiting friends.

LITTLE FERRY, N. Y.—Mayor Frank Herma, charged with assaulting Christian Ulman, a political opponent, surrendered to the police and was bailed out by the complainant.

BOSTON.—A genuine one dollar bill marked down to 90 cents, remained in a store window for twenty-two hours before it was purchased. Hundreds hesitated to accept the bargain offer.
